Certain Agricultural Tillage Tools From Brazil; Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of rescission of countervailing duty administrative review.

SUMMARY: On November 30, 1998 (63 FR 65748), in response to a request from Marchesan Implementos e Máquinas Argícolas ("Marchesan") (respondent), the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on certain agricultural tillage tools from Brazil, for the period January 1, 1997 through December 31, 1997. In accordance with 19 CFR 351.213(d)(1), the Department is now rescinding this review because the respondent has withdrawn the request for review.

EFFECTIVE DATE: March 29, 1999.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore, (202) 482-3692, or Tipten Troidl, (202) 482-1767, Office of CVD/AD Enforcement VI, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act (URAA) effective January 1, 1995 (the Act). In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations as codified at 19 CFR Part 351 (1998).

Background

On October 29, 1998, the Department received a request to conduct an administrative review of the countervailing duty order from the respondent for the period January 1, 1997, through December 31, 1997. No other interested party requested a review of this countervailing duty order. On November 30, 1998, the Department published in the **Federal Register** (63 FR 65748) a notice of "Initiation of Countervailing Duty Administrative Review" initiating the administrative review of the respondent for that period. On March 1, 1999, respondent withdrew the request for review.

Section 19 CFR 351.213(d)(1) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. In this case, respondent has withdrawn the request for review within the 90-day period. No other interested party requested a review and we have received no other submissions regarding respondent's withdrawal of the request for review. Therefore, we are rescinding the review of the countervailing duty order on certain agricultural tillage tools from Brazil.

This notice is published in accordance with section 751 of the Act and section 19 CFR 351.213(d)(1).

Dated: March 19, 1999.

Holly A. Kuga,

Acting Deputy Assistant Secretary for AD/CVD Enforcement Group II.

Live Swine From Canada: Extension of Time Limit for Preliminary Results of Five-Year Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

ACTION: Notice of extension of time limit for preliminary results of five-year ("sunset") review

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the sunset review on the countervailing duty order on live swine from Canada. Based on adequate responses from domestic and respondent interested

parties, the Department is conducting a full sunset review to determine whether revocation of the order would be likely to lead to continuation or recurrence of a countervailable subsidy. As a result of this extension, the Department intends to issue its preliminary results not later than June 21, 1999.

EFFECTIVE DATE: March 29, 1999.

FOR FURTHER INFORMATION CONTACT:

Scott E. Smith or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, NW., Washington, DC 20230; telephone: (202) 482-6397, or (202) 482-1560 respectively.

Extension of Preliminary Results

The Department has determined that the sunset review of the countervailing duty order on live swine from Canada is extraordinarily complicated. In accordance with section 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). See section 751(c)(6)(C) of the Act. The Department is extending the time limit for completion of the preliminary results of this review until not later than June 21, 1999, in accordance with section 751(c)(5)(B) of the Act. The final results of this review will, therefore, be due not later than October 28, 1999.

Dated: March 22, 1999.

Robert S. LaRussa,

Assistant Secretary for Import Administration.
